June 2025

Beta Rho of Sigma Nu at the University of Pennsylvania • Philadelphia, PA.

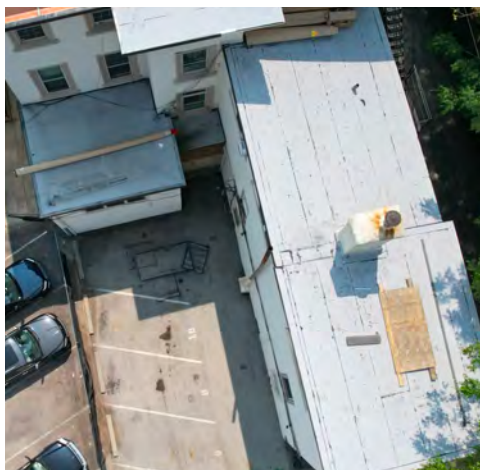

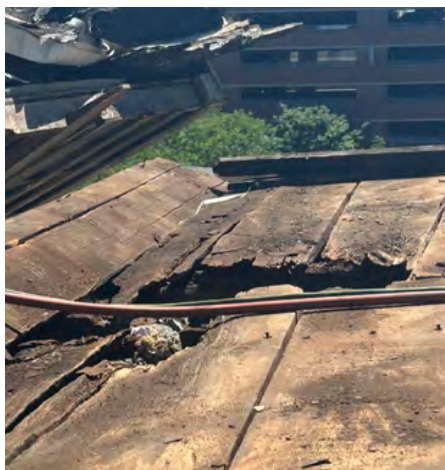

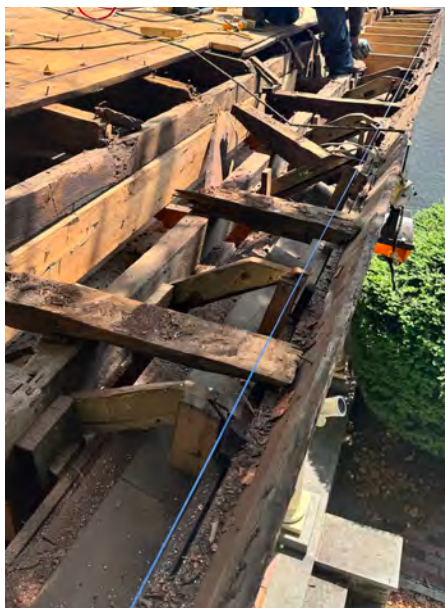

Please Welcome Pledge Class 131!

When we brought this group of 19 into the brotherhood this January, we knew we had made the right choices. While there were some ups and downs throughout the pledging process, these brothers set a new standard for Beta Rho initiates! It's safe to say they're excited to be finished pledging and look forward to their future as brothers.

Capital Campaign Update

In our last newsletter, we provided an overview of and update to of our 125th anniversary capital campaign. We appreciate all those who have contributed and wanted to give you an update on our chapter house roof.

Recently, funds have been deployed toward roof replacement and exterior structural repairs. The chapter house roof has consistently leaked for all living memory, including water leak issues in rooms and sections of the basement after heavy rain. Existing roof demolition revealed significant structural issues, and renovations expected to cost \$115,000 ended up costing

\$145,000. The roof replacement project focused on addressing structural repairs, along with a sizeable amount of roof decking. We are proud to announce that a commercial roofing and gutter system was professionally installed, designed to last for the long term, that includes a 35-year commercial warranty, annually maintained by installers.

To learn how to participate, as well as see a detailed presentation about this effort, please visit: betarhocalumni.com/campaign/

Chapter Updates

These past few months have been unforgettable, filled with amazing achievements and memorable moments. As we head into the end of the semester, we're excited to keep this momentum going!

Philanthropy Event with AOE & Pledges at Penn Transplant House

We recently partnered with Alpha Omega Epsilon to host our philanthropy event "Midnight Pancakes," where we sold pancakes to raise money for charity. Our pledges also volunteered and cooked food for the Penn Transplant House, assisting patients and families undergoing organ transplants.

Pledge Trips to New York and DC

Our pledges went on fun trips to New York City and Washington, DC, where they participated in scavenger hunts, bonded, and were able to connect with local alumni who graciously hosted. The experience was a reminder of the life-long commitment to the chapter that brothers of the fraternity display.

Saint Patrick's Day Brunch

Brother Cory Shin (pledge class 128) hosted a festive brunch featuring St. Patty's-themed food and drinks. The event gave the pledge class an opportunity to get to know the brothers in a more relaxed environment. Following the conclusion of the event, the brotherhood was primed to take on Saint Patrick's Day at Penn and in Philadelphia.

Moshulu Downtown Party

In collaboration with Phi Kappa Psi and αΚΔΦ, we hosted an extremely fun event at the Moshulu Boat venue downtown. Social chairs Jack Kim and Christian Chun (pledge class 130) helped organize the event, which featured two live DJ sets and hundreds in attendance. Not only did the brothers have a great time, but we also turned a profit!

Brother Spotlight

Sigma Nu's own Shane Gardner won the Ivy League indoor track and field championships by setting a new Ivy League record in the men's 60-m hurdles on March 2, 2025, with an incredible time of 7.75 seconds.

SIGMA NU ALUMNI

Where are you now?

As the years go by since our time as undergraduates at UPenn came to an end, it can be increasingly difficult to keep tabs on what our Beta Rho buddies have been up to. Time passes, life gets in the way, and we naturally lose touch.

To fight that progressive drift, we want to hear from you! What have you been up to since the Sigma Nu days? Have you

reconnected with any fellow alumni? Have you been thinking about any good stories from back in the day? We want to know!

E-mail our alumni communications partner at elloneill@elevateims.com to submit any updates or stories you want to share, and we will publish it in an upcoming eLetter or newsletter!
